**CONGRATULATIONS TO
JUSTIN CALDWELL, DAVID HULME, AND DAVID LOWE
CCCC JOINT WINNERS 2010 / 2011**

This year we have a 3 way tie for the Championship, with David Lowe taking his first win alongside seasoned winners Justin Caldwell and David Hulme. Mark Northcott beat Wilf Alexander on tie break, leaving Andrew Yates in last place, apart from Steve Whitmore who withdrew.

In Division 2 Mike Smith finished with 100% score and thus returns to Division 1, but the other 3 players are utterly tied having each beaten and lost to one other, and each won as black! Gordon Geddes' games are void as a result of his death in January.

Division 3 sees Tim Partridge just edge Stanley Hall on tie break (he was black in their drawn game), but both win promotion, while Peter Couch takes 3rd from Michael Williamson on tie break.

Division 4 saw John Loxton unbeaten and thus victorious, half a point ahead of David Boddy, while Michael Thistlewood finished ahead of Nick Procter, who was playing in his first season. Brian Shephard withdrew.

With one death and two withdrawals, we will have only 3 Divisions next season. The fairest way to achieve this seems to be to cancel all relegation this season, while still giving promotion to all who have earned it, and then filling up gaps as needed.
